Christmas Card Project

Hi everyone!

Welcome to the first club newsletter.

For those of you who would like to join in with doing a Christmas card that will be printed in time for sending out to family and friends please read on...

The cards will be A6 size and come with an envelope, and while cost will be dependent on the number of designs and the total number of cards being printed, 10 cards look to be about £4.50-£5.00. Inside the card will read "Merry Christmas and a Happy New Year"

The design can be either portrait or landscape but must fit inside a space 143mm by 100mm (14.3cm by 10.0cm). Inspiration can be found on the club Pintrest board but do let your imagination run wild!

We will need to go to print in late November to have the cards in time for Christmas (especially for anyone posting to Australia & New Zealand!) so final designs must be brought to the session on Saturday 18th November.

Please can anyone interested in taking part let Elizabeth know at the next session on 11th November that they are going to be making a design and an approximate number of cards (in multiples of 5) that are required.

Next Term

The dates for next term will begin on Saturday 13th January 2024 and run for 5 Saturdays to 10th February. There will be no class on Saturday 17th February. Classes will restart on Saturday 24th February and run for a further 5 weeks to Saturday 23rd March.

Classes will run at the YMCA East Surrey (Princes Road, Redhill, RH1 6JJ) from the usual time of 10am to 2pm.

Each half term will cost approximately £125.00* and this will include at least one session each from a visiting tutor and Gerald Mynott.

Please let us know via the button below if you'd like to join us next year, and if there is something you'd particularly like to focus on.

*Dependent on class numbers and cost of visiting tutors.
